

BIOGRAPHICAL SKETCH

Name: Micillo Teresa

Position/Title: Postdoctoral research fellow

Education

Institution and Location	Degree	Year Conferred	Field of Study
Liceo Scientifico (High school) "A.M. DE CARLO" Giugliano (Naples), Italy;	Baccalaureate	2008	
Biotechnological Science Degree "summa cum laude", University of Naples "Federico II", Naples, Italy;	Bachelor Degree	2015	Immunology
Research fellowship, at Neuroimmunology Unit, Fondazione Santa Lucia, Rome, Italy;		2016	Immunology
PhD program in "Biology", at the Department of Biology, University of Naples "Federico II", Naples, Italy;	PhD	2016-2019	Biology

Research and Professional Experience**Positions and Employment**

22/07/2015	Degree in Biotechnological Science, Curriculum Medical Biotechnology, "summa cum laude", defending her thesis in Immunology " <i>Capacità proliferativa delle cellule T regolatorie come nuovo biomarker per il monitoraggio della progressione della Sclerosi Multipla</i> ". Supervisor: Prof. Giuseppe Matarese.
02/2016-05/2016	Research fellowship, at Neuroimmunology Unit, Fondazione Santa Lucia Rome, Italy.
2016-2019	PhD in Biology, at the Department of Biology University of Naples "Federico II". Supervisors: Prof. Giuseppe Matarese and Prof. Antonio Porcellini.
2020-present	Postdoctoral research fellow (Prot. DS/BS20-45) at the laboratory of Immunology, Neuroimmunology Unit, Fondazione Santa Lucia, Rome, Italy

Research Experience

2014-2015	Training as student fellow in Immunology at Department of Molecular Medicine and Medical Biotechnology, University of Naples "Federico II", under the supervision of Prof. Giuseppe Matarese.
2016-2019	Started PhD Program in Biology, at the Department of Biology University of Naples "Federico II".

- April 2020 PhD in Biology, at the Department University of Naples “Federico II”, defending her experimental thesis “*Impact of dimethyl fumarate treatment on immune tolerance during Multiple Sclerosis*”. Supervisors: Prof. Giuseppe Matarese and Prof. Antonio Porcellini.
- 2020-present Postdoctoral research fellow for the study of cellular metabolism in the control of immunological tolerance in healthy subjects and in patients with Multiple Sclerosis, at the laboratory of Immunology, Neuroimmunology Unit, Fondazione Santa Lucia, Rome, Italy.

Professional Memberships

- Italian Society of Immunology, Clinical Immunology and Allergology (SIICA) (2017-present).
- School Superiore of Immunologia “Ruggero Ceppellini”, directed by Prof. Serafino Zappacosta and by Dr.ssa Silvia Fontana (2018-present).
- European association for the study of the diabetes (EASD) (2019-present).

Honors and Awards

- Winner of a fellowship, at Neuroimmunology Unit, Fondazione Santa Lucia, Rome, Italy.
- Winner of a PhD fellowship in Biology at Department of Biology, University of Naples, Italy.
- Winner of a travel grant from “*Italian Society of Immunology, Clinical Immunology and Allergology (SIICA)*” (International Retreat of PhD students in Immunology, Verona, October 2017).
- Winner of a travel grant from “*Keystone Symposia Future of Science Fund*” (Keystone Symposia Meeting, Firenze, March 2019).
- Winner of a travel grant from “*Italian Society of Immunology, Clinical Immunology and Allergology (SIICA)*” (International Retreat of PhD students in Immunology, Genova, December 2019).
- Winner of a Postdoctoral research fellowship in Immunology, at Neuroimmunology Unit, Fondazione Santa Lucia, Rome, Italy.

Meetings

- International Retreat of PhD students in Immunology (SIICA). 6-7 October 2017, Verona, Italy.
- School of Immunology 2018 (SIICA). 20-22 July 2018, Messina, Italy.
- Ruggero Ceppellini Advanced School of Immunology “T CELL MEMORY”. 12-15 October 2018, Capri, Italy.
- Keystone Symposia Meeting. Cancer Metastasis: The Role of Metabolism, Immunity and the Microenvironment (M2). 15-19 March 2019, Firenze, Italy.
- Ruggero Ceppellini Advanced School of Immunology “MICROBES IMMUNITY AND CANCER”. 8-10 October 2019, Capri, Italy.
- International Retreat of PhD students in Immunology (SIICA). 5-6 December 2019, Genova, Italy.
- XII National Congress SIICA 2021, Virtual Edition. (26-28 May 2021).
